Institutional Communication Office

The Minister of Communications in the eastern province of Guantánamo monitors the fulfillment of the instructions of the first governmental visit to the territory.

In this territory, he met with the officials of the Communications System, toured the Territorial Division of Etecsa in the province and exchanged with the workers of the Telephone Attention Center and the Transmission Center of Radiocuba.

As part of the governmental visit to the Guantanamo territory, the Minister of Communications, Jorge Luis Perdomo, carried out an exchange with Administrative Officials, Union Leaders and the Cuban Communist Party of the Communications sector. It took place at the Territorial Division facilities of ETECSA.
