On April 23, the Minister of Communications, Jorge Luis Perdomo Di-Lella presided over the virtual meeting of the ministry's Board of Directors through, videoconference as part of the social distancing measures.

The actions that should be carried out to strengthen e-Commerce in Cuba were part of the topics addressed in this meeting. The participants considered that as a result of the demands posed by the current COVID19 pandemic, progress will be made faster by means of platforms like Transfermóvil and EnZona.
