Joven Club Institutional Communication Office

Joven Club informs its clients with private networks integrated to TINORED about the interruption of such service for preventive maintenance purposes, making the most out of system's resource availability in the data center.

The span of the interruption will start at 00:01 on Thursday, May 14; therefore, from that moment on and until its restoration, the private networks service will be affected.

The system's servers, which are located at the facilities of ETECSA, will be modified.
