Raul

On his 89th birthday, we wish the Army General Raúl Castro Ruz a happy day on the celebration of one more year of his life dedicated to the Cuban Revolution. An honest man, a restless revolutionary and a paradigm for current and future generations of Cubans.

The Minister of Communications congratulated our Raul on his Twitter account with the following words: On behalf of @MINCOMCuba we congratulate our Army General Raúl on his birthday. Thank you for your wisdom, strength, and example, for your untiring fighting spirit and for being an educator for the new generations of Cubans. #Cubateabraza (Cuba hugs you) #Cuba #CubaInformatiza

The workers of the Communication System wish you a Happy Birthday!
