Officials from the Ministry of Communications check on the computerization process of the Azcuba Group
The IT Industry Director of the Ministry of Communications, Ernesto Vallín, on his Twitter account, wrote about the check-up on the computerization process of the Azcuba Business Group. An interesting presentation on the potential of the rising company named Datazucar, which belongs to the #Azcuba business group. On its ranks there are professionals with over 30 years of experience concerning the use of technologies in the sugar industry. #CubaComputerizes #WeAreCuba #WeAreContinuity
