Office of Institutional Communication

The Cuban Minister of Justice, Oscar Silvera Martínez, wrote on his Twitter account the following words: "We keep making progress in the computerization of Public Records across the country. #WeAreAimingHigher and that's serious". #CubaComputerizes

On his behalf, the Minister of Communications, Jorge Luis Perdomo Di-Lella, wrote: "The computerization of public records is essential to progress concerning e-Government in #Cuba. @CubaMinjus has taken on the challenge of digitizing and managing Public Records. The Minister of Justice @OscarCubaMinjus is fostering this undertaking. #CubaComputerizes #WeAreCuba
