The challenges of Joven Club for this summer in the province of CAMAGÜEY entail taking the highest possible amount of activities to several neighborhoods and empowering communities of poor accessibility, and they will start to do so on July 11, in the Technological Forest under the slogan 'A Summer for Life. This territory, which is already in phase 2 of the COVID-19 recovery process, has added some on-site services to the other 7 resumed services of the first phase, only allowing one user per computer and guaranteeing a 1.5 meter separation between them. In addition, other features were extended outside their facilities such as IT assistance, advisory and implementation, rental of devices and professional services. Some of their options for the summer are: The Celebration of Children's Day with activities in every municipality. Sports activities along with INDER. Cultural activities with amateur artists. Video-game matches (Yu-Gi-Oh, DOTA 2, Battlefield, WoW and others). Unveiling of the products Mochila and LudoX, made by Joven Club. Bringing orphan children closer to technologies, services and products from Joven Club. Launch of the digital painting and photography contest "A Summer for life, which encompasses the following topics: Healthy leisure activities in the face of COVID, A Technological Summer for Life, My Summer at Joven Club, and a freely-chosen topic about the summer. A set of activities for the Day of National Rebelliousness on social media on July 25, 26 and 27. A day of tribute to Hugo Chávez Frías on July 28. Celebration of the International Youth Day. Honoring the Commander-In-Chief, Fidel Castro Ruz, in the 94th anniversary of his birth. Presentation of cosplayers related to the world of DOTA. 1 on 1 tournaments. Promotion of video-games from the LudoX platform.
