### Main event for Radiocuba's 25th Anniversary

In the afternoon of October 1st, the main event for the 25th Anniversary of the creation of the Enterprise Radiocuba took place in the theater of the Ministry of Communications, and a postal stamp was canceled by officials and leaders from the Central Committee of the Cuban Communist Party (PCC), the Council of State and Ministers, and from the institution itself. This ceremony was broadcast through video conference to the whole country and all social distancing measures were respected as part of the fight against the COVID-19 pandemic.

As a recount, the summary video was projected with the last works of Radiocuba for making progress in the program of implementation of Digital Television in Cuba, coverage of silence zones and the development of other services amidst COVID-19.

The celebration became a day of recognition when Alba Estévez Novo, member of the National Secretariat of the Union read the document for the presentation of the 80th Anniversary Stamp of the CTC, and invited Guilarte de Nacimiento to do it.

Ariadne Plasencia Castro, president of the IT and Communications Business Group (GEIC), granted an award to the company for its devotion to work, dedication, commitment, sense of belonging and the results of its work over the last 25 years.

The Ministry of Communications, on the other hand, stood out specially with a Diploma to Radiocuba, because of its work in this quarter of century in the assurance of radio and television broadcasts; and its contribution to the defense of the radio spectrum. The General Director and the Secretary of the Union Bureau of Radiocuba received the awards.

Plasencia Castro, GEIC's main director, also delivered the keynote speech. The cultural activity was brought about by Duo Iris.

The event was attended by Ulises Guilarte de Nacimiento, member of the Political Bureau, the Council of State and general secretary of the CTC, Omar Pérez Salomón, official of the Central Committee of the PCC, Marisol Fuentes Ferrer, member of the Central Committee of the PCC and general secretary of the National Union, Jorge Luis Perdomo Di-Lella, minister of Communications and representative of National Assembly of the People's Power, Ariadne Plasencia Castro, president of the IT and Communications Business Group, Alfonso Noya Martínez, president of the Cuban Radio and Television Institute (ICRT) and Justo G. Moreno García, president of Radiocuba. In addition, it was also attended by leaders and guests from the Ministry, the Union, CTC, ICRT, ETECSA, the Cuban Postal Service, GEIC, workers and direct delegates from the Radiocuba Company who will participate in the Second National Conference of the SNTCIE, connected by video conference in all the provinces of the country.
