Dirección de Comunicación Institucional

The Minister of Communications, Jorge Luis Perdomo Di-Lella, accompanied by other officials of the organization, visited the Desoft Computer Applications Company, which belongs to the Informatics and Communications Business Group (GEIC).

During the exchange, the projects that are part of Desoft's digital ecosystem in the SaaS modality and its linkage with the Cuban Telecommunications Company (ETECSA) were presented.

The President of Etecsa, Mayra Arevich; the President of the Informatics and Communications Group (GEIC), Ariadne Plasencia Castro, and other officials from MINCOM, GEIC and ETECSA participated in the meeting.
