On October 6th, Cubans always remember the horrendous Crime of Barbados.
The most horrific and despicable crimes that humanity has ever known. The murderers lived without justice, protected by the government of the United States, promoter of State terrorism.
Because of the pain caused to the relatives of the victims and to a whole nation, this date was declared in the Caribbean island in 2010 as the Day of the Victims of State Terrorism.
Neither dead, nor forgotten: #WeRemember #WeSayNoToTerror
