Today, October 8, is a day of remembrance for Che Guevara all over the world and especially for all Cubans. Ernesto Guevara de la Serna, a paradigm and an exceptional human being, leader, friend, father, son of many peoples and a revolutionary until his last day. He overcomes time, lives in our hearts, and is reborn always onward to victory. His example is present in our people.

"Che Guevara was a teacher and a maker of men like him. Consistent with his actions, he never stopped doing what he preached, nor did he stop demanding more of himself than he demanded of others," said our Commander in Chief, Fidel Castro.
