Dirección de Comunicación Institucional

The Cluster of trade intelligence of the ICT Section of the Chamber of Commerce was established to promote and expand exports in the sector through strategic collaboration to achieve common benefits. This will be a fundamental task of this work team between the companies, MINCOM, PROCUBA and the Chamber of Commerce itself.

The work meeting was chaired by the Minister of Communications, Jorge Luis Perdomo Di-Lella, and the President of the Cuban Chamber of Commerce, Antonio Luis Carricarte.
