

Ministry of Communications

A horizontal number line is shown with tick marks at intervals of 10, labeled from 0 to 100. A blue bracket is drawn above the line, spanning from the tick mark for 25 to the tick mark for 50. Below the bracket, the text "25%" is written.

Dirección de Comunicación Institucional

The Minister of Communications, Jorge Luis Perdomo Di-Lella and the President of the Biotechnology and Pharmaceutical Industries Group, BioCubaFarma, Eduardo Martínez Díaz visited the Mestre Farm of the National Center for the Production of Laboratory Animals, CENPALAB, where precision agriculture concepts are being implemented.
