Embajada de Cuba en Alemania

On March 11, 2021, the virtual forum "Business Forum on IT: IT and Software Solutions “Made in Cuba” will take place."

The event, which was organized by the Cuban Chamber of Commerce and the German Office for the Promotion of Commerce and Investments in Cuba, will feature the presentations of Cuban companies from the IT sector such as DESOFT, DATAZUCAR, SOFTEL, SEGURMATICA, SOLINTEL, and other Cuban Centers of higher education that consolidate the strategic bonds between Universities and Companies will also be represented.

This event was designed to show the potentialities of the Cuban IT and Communications Industry to the German market, and it will provide the opportunity of identifying new business projects and joint cooperation chances for the future.
