On October 5, the Central Palace of Computer Science and Electronics was visited by the Vice President of the Republic of Cuba, Salvador Valdés Mesa, with the objective of learning about the progress of local development in the municipality of Centro Habana.

He was welcomes by the director of the Central Palace of Computer Science and Electronics, M.Sc. Danays Moreno Moreno, and the workers of the Palace.

The work meeting was also attended by Party and Government authorities in Havana, as announced on the official social media accounts of the Central Palace of Computer Science and Electronics on Facebook and Twitter.
