The workers of the Ministry of Communications wish a Happy Birthday to Army General Raúl Castro Ruz, on his 92nd birthday! A man of integrity, a follower of the ideas of José Martí, a tireless revolutionary, a paradigm for present and future generations of Cubans.

The Minister of Communications, Mayra Arevich Marin from her personal account on Twitter wrote: And Raul is Raul! Congratulations on his 92 years of life to the Army General, a revolutionary man and faithful to Cuba, to Fidel. It has been a privilege for several generations to see him give his life to the Revolution. For many more years with his foot in the stirrup, with his people who love him.
