On November 23, 2023, the bilateral course "Operational Security in Data Centers" was inaugurated in the virtual modality, given by the Ministry of Information and Communication of Vietnam (MIC), coordinated jointly with the Ministry of Communications of Cuba (Mincom).

Cuban businessmen, officials and technicians participated in this training action. Opening remarks from the Vietnamese side were given by Mr. Hoang Anh Tu, Deputy Director General of the Department of International Cooperation and from the Cuban side by the Vice Minister of Communications, Ernesto Rodriguez Hernandez.

The course "Operational Security in Data Centers" will be held on November 23 and 24.
